1.0 GENERAL INFORMATION

A. GENERAL INFORMATION

1.1 System Overview

Youth Venture Data Management System is a system designed to assist youths interested in participating in events organised by Youth Venture Asia, as well as their clients or partners.

- A web-based software system accessible through web browsers, designed to support the Youth Venture Asia and its clients or partners in managing youth-focused events and activities.
- System name or title: Youth Venture Data Management System
- System category:
 - *Major application:* performs the functions for event management in a secure and authorised platform
- Accessibility:
 - Accessible through standard web browsers, ensuring widespread availability and ease of use for all stakeholders
- Functionality
 - Manage event-related information, including event details and participant details
 - Manage rewards and badges
 - Generate resume and manage experience and certifications
 - Manage personal profiles
- Operational status:
 - Fully Operational

1.2 Points of Contact

1.2.1 Information

The points of organizational contact (POCs) provide essential information for users seeking assistance or guidance. Below is a list of key contacts for informational purposes:

Technical Support: [Low Ying Xi, lowxi@graduate.utm.my, 011-10511399]

System Administrator: [Youth Venture, youthventure06@gmail.com]

Project Manager: [Low Ying Xi, lowxi@graduate.utm.my, 011-10511399]

1.2.2 Help Desk

The help desk provides users with immediate assistance and support for emergency situations. Contact information for the help desk is as follows:

Help Desk: [Low Ying Xi, lowxi@graduate.utm.my, 011-10511399]

1.3 Organization of the Manual

The User's Manual v0.01 is organized to provide users with clear guidance on using the system effectively. It includes the following sections:

- General Information
- System Summary
- Getting Started
- Using the System

The User's Manual v0.01 outlines detailed instructions and procedures for users to navigate and utilize the system efficiently. Each section is structured to address specific aspects of system usage and troubleshooting, ensuring a seamless user experience.

1.4 Acronyms and Abbreviations

This section provide a list of the acronyms and abbreviations used in this document and the meaning of each.

Admin: Administrator

Student: student-role user

Client: client/partner-role user

2.0 SYSTEM SUMMARY

B. SYSTEM SUMMARY

This section provides a general overview of the system, including system configuration, data flows, and user access levels.

2.1 System Configuration

Youth Venture Data Management System features a new user interface inspired by the design principles of the Metronic template from KeenThemes.

Web Server:

Required Web Server Software: Apache HTTP Server

Database:

Compatible Database Management System: MySQL

Website link:<https://sandkas.com/Innovatio/users/login>

2.2 Data Flows

Users input text by using an on-screen virtual keyboard (for mobile) and keyboard (for desktop).

The data flows in the system include:

1. Account Registration - basic information about the user, as well as the account email and password, will be stored in the database. Basic information will be displayed in the profile.
2. Event Creation - Event details will be stored and displayed in the system for the reference of all users.
3. Event Registration - Students will be registered for an event, and their details will be displayed in the participant list for that event.
4. Reward & Badge - badge will refer to the event attended by a student and will be given to the student when their event data reaches a certain milestone.
5. Resume - The data about certification and experience can be added to be generated in the resume.

2.3 User Access Levels

The system provides different access levels to accommodate different user roles: Admin, Student, and Client. Below are the user access levels defined within the system:

1. Admin:
Admin has full access to the event management system, which includes creating, editing, and deleting the event. Besides, Admin can manage the claim status of the reward and have full access to view the users who exist in the system.
2. Student:
Students have limited access to the system. They can only view the event details and join the event added to the system. They can add the certificates and experiences, then only generate their own resume. They have the authority to edit their profile.
3. Client:

2.0 System Summary

4. Client has limited access to the event management system, where they can only view event details and the participant list and their details. They have no authority to create, edit, or delete the event. Client has authority to edit their profile.

3.0 GETTING STARTED

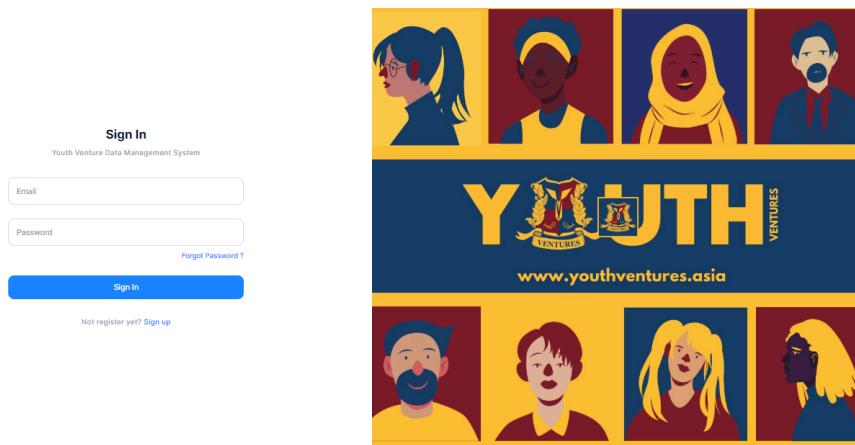

C. GETTING STARTED

This section provides a general walkthrough of the system, from initiation through exit.

3.1 Register Account

To register your account, follow these steps:

1. In the “Sign In“ page, click on “Sign up.”.

2. Next, select the role: “Student” or “Partner/Client”.
3. Fill in all the fields displayed on the page and click “Submit” after completing the form.
4. Once account registration is successful, you will be redirected to the “Sign In” page.
5. You may use the registered email address and password to log in to the system.

3.2 Log In

An email address and password are required to log in to the system. If you have not registered an account before, you should follow the steps in 3.1 to register an account.

If you have registered the account, you may enter the email address and password, then click on "Submit."

The image shows a sign-in form for the Youth Venture Data Management System. It features a header "Sign In" and "Youth Venture Data Management System". Below are input fields for "Email" and "Password", a "Forgot Password ?" link, a blue "Sign In" button, and a "Not register yet? Sign up" link at the bottom.

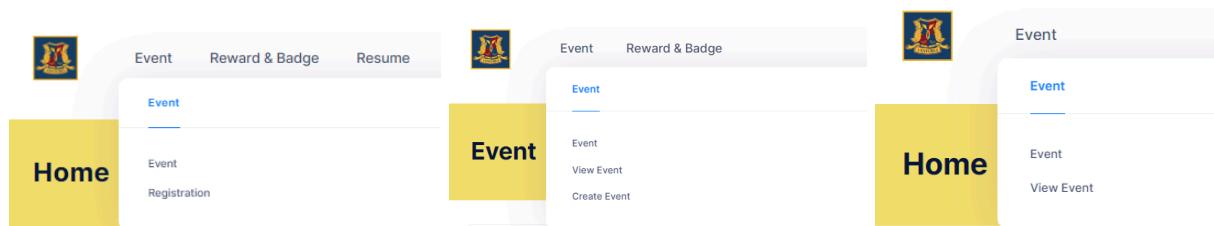

3.3 System Menu

This section describes the system menu first encountered by the user and the navigation paths to functions noted on the screen. Each system function will be under a separate section header, 3.3.1 - 3.3.3. The navigation path will be different based on the role of the user.

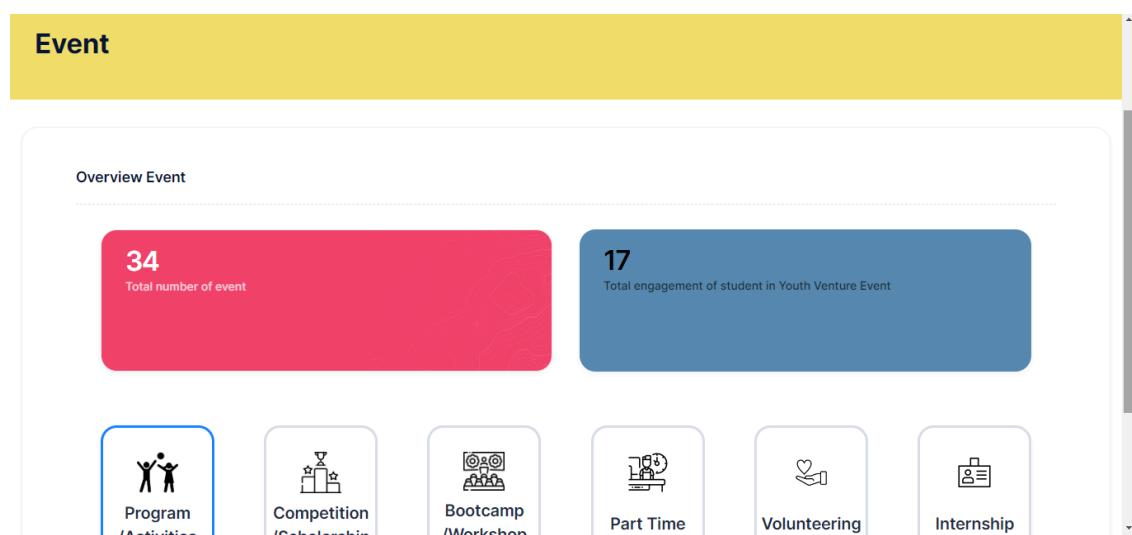

3.3.1 Event

Below are the possible navigation paths under Section Event:

1. Event

Users will be navigated to the main page of the event. All the roles can access this page.

2. View Event

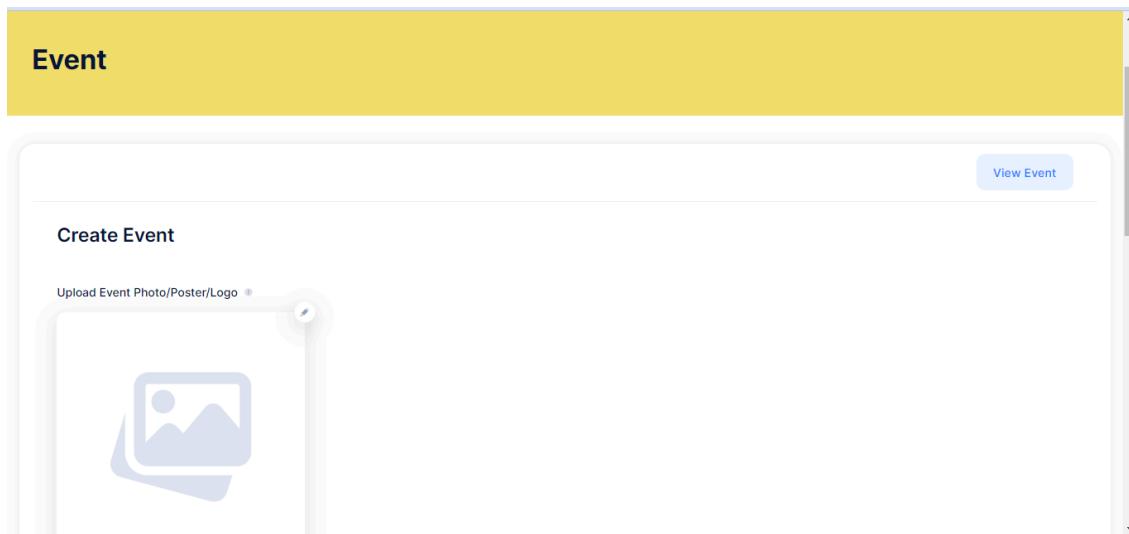

Users will be navigated to the “View Event” page. Only Admin and Clients can access this page.

The screenshot shows the 'View Event' page. At the top, there's a yellow header bar with the word 'Event'. Below it is a white content area with a title 'View Event' and a 'Create Event' button. A table lists four events:

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	Actions ▾
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	Actions ▾
3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	Actions ▾
4	Start Up Project	Competition/Scholarship	2023-12-06	18:15:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	Actions ▾

3. Create Event

Users will be navigated to the “Create Event” page. Only Admin can access this page.

4. Registration

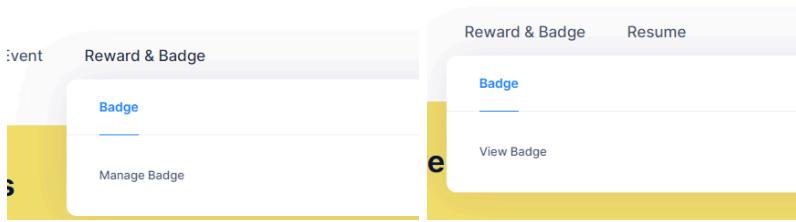

Users will be navigated to the “View Event” page for registration. Only Student can access this page.

The screenshot shows a 'View Event' page with a table of events. At the top right is a 'Dashboard Event' button. The table has columns for No, Title, Category, Date, Time, Venue, Description, and Action. Two events are listed:

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	Actions ▾
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	Actions ▾

3.3.2 Reward & Badge

Below are the possible navigation paths under Section Reward & Badge:

1. Manage Badge

Users will be navigated to the “Manage Reward & Badge” page. Only Admin can access this page.

The screenshot shows a web application interface titled "Manage Reward & Badge". At the top, there are navigation links: "Event", "Reward & Badge", and a user profile icon. Below the title, a yellow header bar displays the word "Rewards". The main content area is a table with the following columns: "Student Name", "Gold Badge", "Silver Badge", "Bronze Badge", "Rewards", and "Action". There are two rows of data:

Student Name	Gold Badge	Silver Badge	Bronze Badge	Rewards	Action
Ani Binti Azman	1	1	0	<input checked="" type="checkbox"/>	Actions
Ikmal	1	0	0	<input type="checkbox"/>	Actions

2. View Badge

Users will be navigated to the “View Badge” page. Only Student can access this page.

The screenshot shows a web application interface titled "Rewards". At the top, there are navigation links: "Event", "Reward & Badge", and "Resume", along with a user profile icon. Below the title, a yellow header bar displays the word "Rewards". The main content area is titled "Badges" and lists three categories: Gold, Silver, and Bronze, each with an icon and a count of 1.

Badges	Count
Gold	1
Silver	1
Bronze	0

3.3.3 Resume

Below are the possible navigation paths under Section Resume:

The screenshot shows a user interface for managing a resume. At the top, there are three tabs: 'Event', 'Reward & Badge', and 'Resume'. The 'Resume' tab is active, indicated by a blue underline. On the left, there's a yellow sidebar with the word 'Event' in bold. The main content area is titled 'Resume' and contains four items: 'View Resume', 'Download Resume', 'Manage Certificates', and 'Manage Experiences'.

1. View Resume

Users will be navigated to the “View Resume” page. Only Student can access this page.

This screenshot shows the 'View Resume' page for a user named Low Ying Xi. At the top, there are three tabs: 'Event', 'Reward & Badge', and 'Resume'. The 'Resume' tab is active. Below the tabs, there's a yellow header bar with the name 'Resume'. The main content area displays the user's basic information in a table:

Full Name	Low Ying Xi
Email	yingxi@gmail.com
Phone No.:	011-10511399
Institution:	UIAM
Course:	Data Engineering

Below the table, there's a section titled 'Basic Information' which includes a profile picture of a person with the letter 'E' on it.

2. Download Resume

Users will be navigated to the “Download Resume” page. Only Student can access this page.

This screenshot shows the 'Download Resume' page for the same user, Low Ying Xi. At the top, there's a purple 'Download' button. The basic information table is identical to the previous screenshot. Below the table, there are sections for 'Skill' (listing 'Public Speaking in English' and 'Youtube'), 'Certification' (with a table for 'Certification Name' and 'Validation'), and 'Experiences' (which is currently empty).

3. Manage Certificates

Users will be navigated to the “Manage Certificates” page. Only Student can access this page.

The screenshot shows a user interface for managing certificates. At the top, there are navigation links: Event, Reward & Badge, and Resume. On the right side, there is a user profile icon. The main area has a yellow header bar with the word "Resume". Below it, a table titled "Certifications" is displayed. The table has columns for "Certification Name", "Valid until", and "Action". A blue button labeled "Add Certificate" is located at the top right of the table area. Below the table, a message says "No data available in table". At the bottom left, there is a pagination control showing "10" and "Showing no records". At the very bottom, there is a footer section.

4. Manage Experience

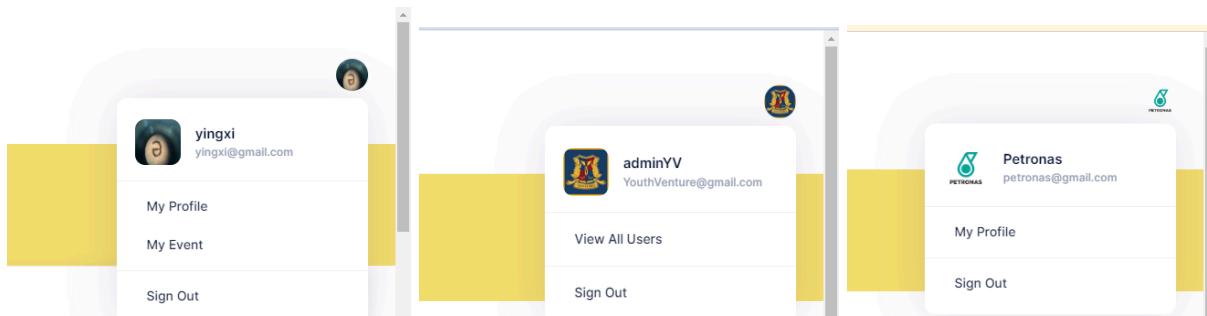

Users will be navigated to the “Manage Experience” page. Only Student can access this page.

The screenshot shows a user interface for managing experiences. At the top, there are navigation links: Event, Reward & Badge, and Resume. On the right side, there is a user profile icon. The main area has a yellow header bar with the word "Resume". Below it, a table titled "Experiences" is displayed. The table has columns for "Job Title", "Company", "From", "To", and "Action". A blue button labeled "Add Experiences" is located at the top right of the table area. Below the table, a message says "No data available in table". At the bottom left, there is a pagination control showing "10" and "Showing no records". At the very bottom, there is a footer section.

3.4 User Menu

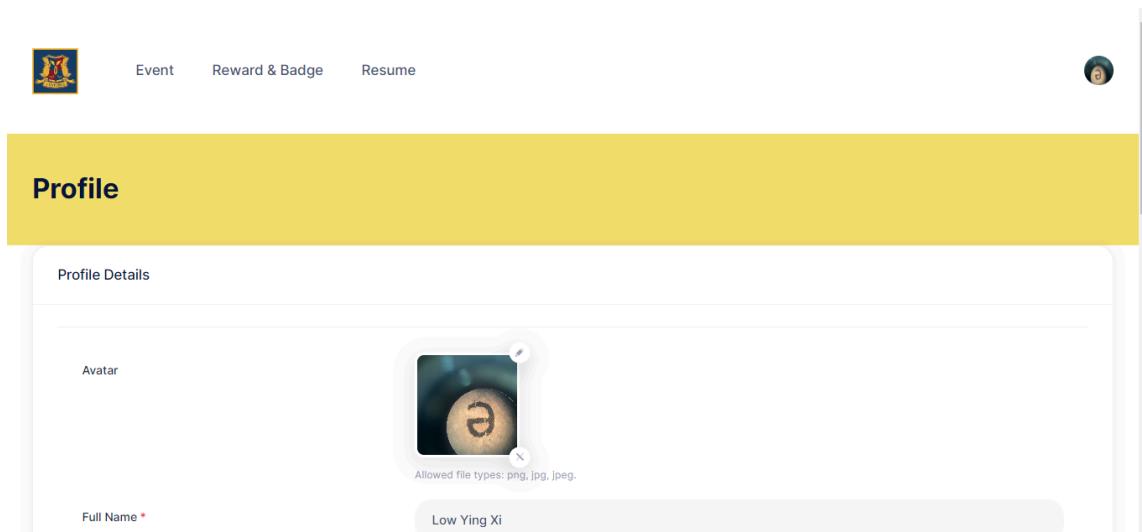

3.4.1 Dropdown Menu

This dropdown menu is under the profile picture. It will be displayed when you click on the profile picture. Navigation paths will be different based on the role of the user.

1. My Profile

Users will be navigated to the “My Profile” page. Only Student and Clients can access this page.

2. My Event

Users will be navigated to the “View My Event” page. Only Student can access this page.

The screenshot shows a user interface for managing events. At the top, there are navigation links: Event, Reward & Badge, and Resume. On the right side, there is a user profile icon. The main title is "Manage Event". Below the title, there is a section titled "View My Event". A table lists two events:

No	Event	Category	Date	Venue	Description	Action
1	Tech Innovators Expo	Volunteer	2023-12-05	UTM	This is Roy activity	View
2	Start Up Project	Competition/Scholarship	2023-12-06	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	View

3. View All Users

Users will be navigated to the “View All Users” page. Only Admin can access this page.

The screenshot shows a user interface for managing users. At the top, there are navigation links: Event, Reward & Badge. On the right side, there is a user profile icon. The main title is "Manage User". Below the title, there is a section titled "View All Users". A table lists three users:

No	Username	Email	User Role	Date Joined
1	2dddwd	ying080@gmail.com		
2	yingxi	yingxi0805@gmail.com	Student	
3	wendy	lowxi@graduate.utm.my		

4. Sign Out

All the users will log out of the system after clicking it.

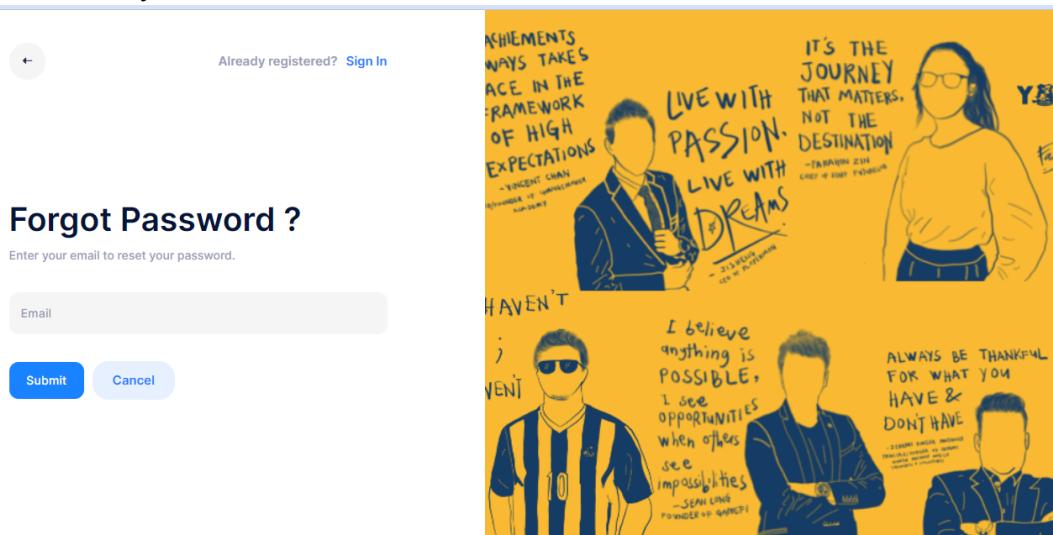

3.5 Reset Password

To change your password, follow these steps:

1. In the “Sign In“ page, click on “Forgot Password?”.

2. Next, enter your email address, and click on "Submit.".

3. Check your email mailbox and click on "here" to redirect to the "Setup New Password" page.

Password Reset

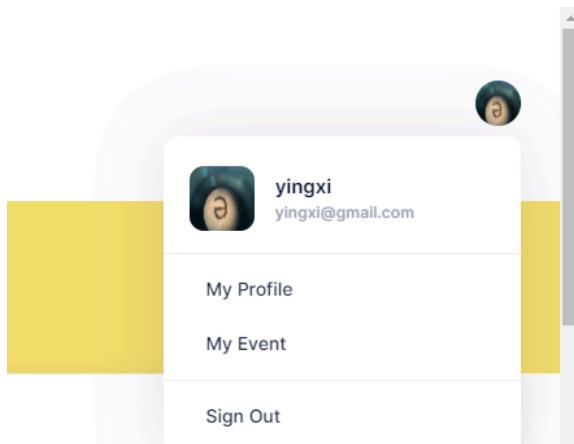

4. Enter the new password and click on "Submit."

- Once the reset is successful, you will be redirected to the “Sign In” page.

3.6 Log Out

To log out of the system, simply click on the profile picture on the top right. Next, click “Sign Out” in the drop down menu.

4.0 USING THE SYSTEM (ONLINE)

D. USING THE SYSTEM (ONLINE)

This section provides a detailed description of system functions. Each function should be under a separate section header, 4.1 - 4.4.

4.1 Event

This section provides details on how to access the function, the steps to perform it, and the system's response to the function regarding module event.

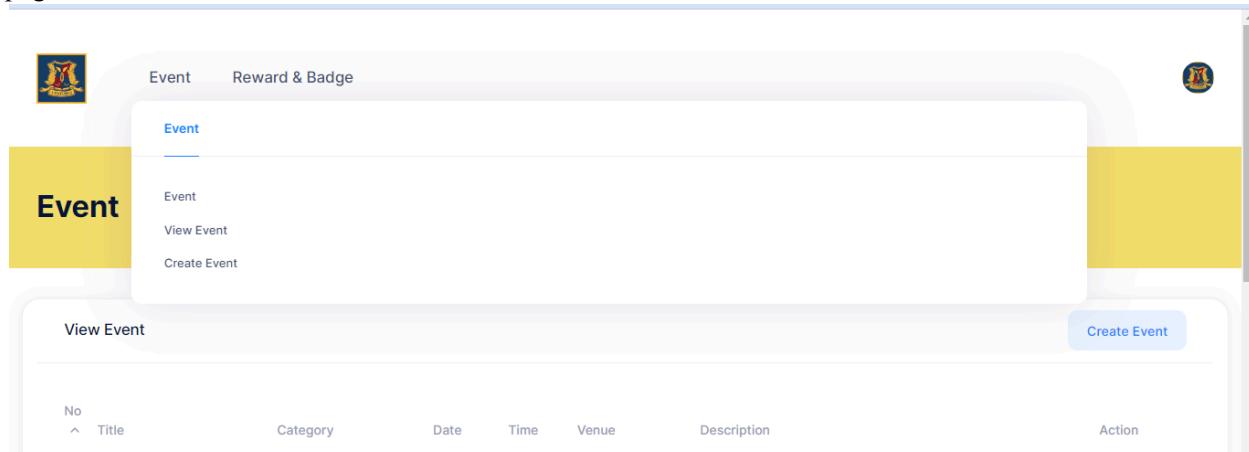

4.1.1 Create Event

Overview:

This function allows Admin to create events.

Accessing the Function:

Users can navigate through the menu or click on the specific button “Create Event” in the “View Event” page.

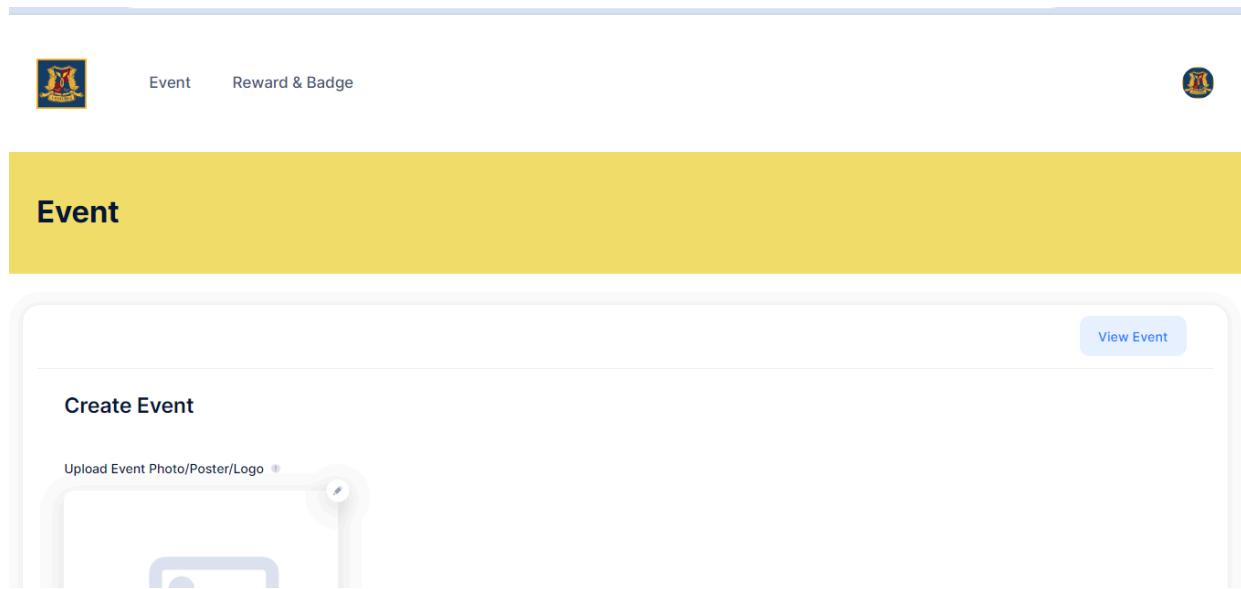

Input Requirements:

Users need to provide the event name, venue, date, time, event description, feedback form link, identify the collaborator (or no collaborator), and select the category from the dropdown menu. They can also optionally add an image for the event.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page by clicking on "Create Event" in the navigation menu or click on a specific button "Create Event" in the "View Event" page.
3. Fill in all the fields required.
4. Optionally, upload an image as the event image.
5. Click on the "Submit" button after completing the form.

The screenshot shows a user interface for creating an event. At the top, there are three icons: a shield logo, the word "Event", and "Reward & Badge". On the right side, there is another shield logo. Below this, a yellow header bar contains the word "Event". Underneath the header, the main form area has a title "Create Event". It includes fields for "Upload Event Photo/Poster/Logo" with a placeholder image of a car, and "Event Description" which is currently empty. In the top right corner of the form area, there is a blue button labeled "View Event".

System Response:

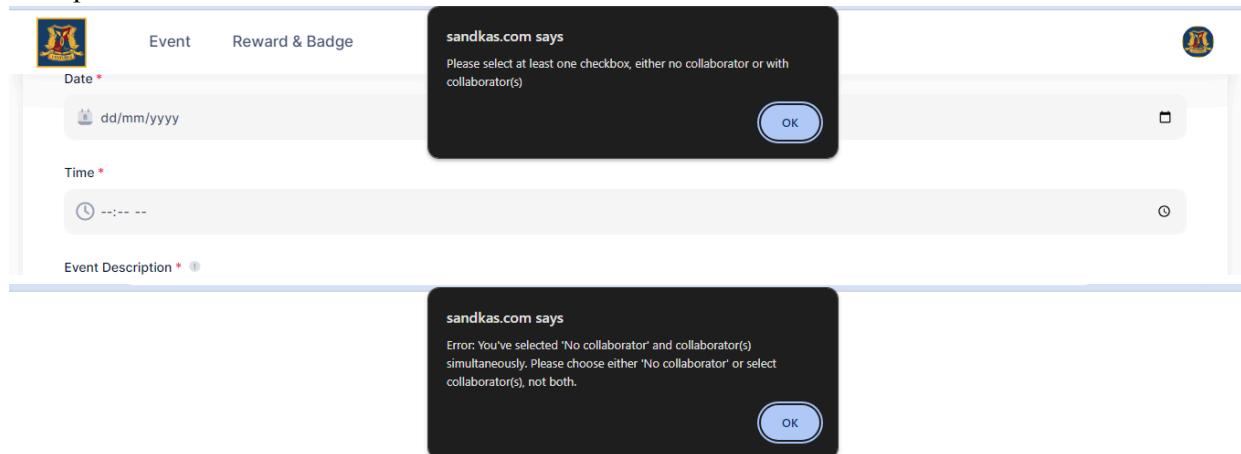

After successfully submitting the form, the system will redirect the user to the “View Event” page. The event created will be added to the list on the “View Event” page.

Otherwise, if the form cannot be submitted, it might encounter these situations:

- Some of the required fields are not filled out.
- Wrong inputs in certain fields.

The system will display an error message/ alert message if the form cannot be processed.

Examples:

The screenshot shows the same event creation form as before, but with two error messages displayed as black pop-up boxes. The first message, appearing above the "Event Description" field, says "sandkas.com says Please select at least one checkbox, either no collaborator or with collaborator(s)" and has an "OK" button. The second message, appearing below the "Event Description" field, says "sandkas.com says Error: You've selected 'No collaborator' and collaborator(s) simultaneously. Please choose either 'No collaborator' or select collaborator(s), not both." and also has an "OK" button.

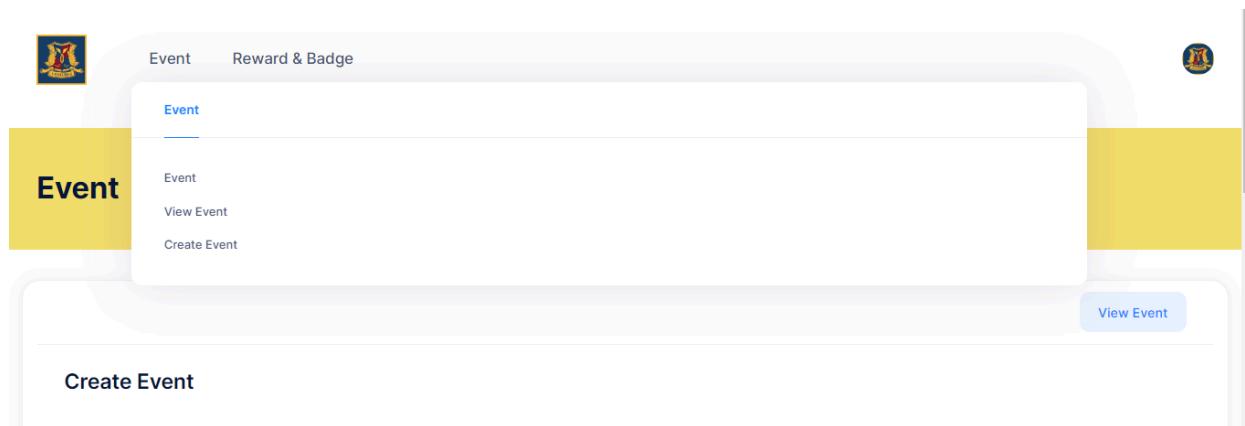

4.1.2 View Event

Overview:

This function allows Admin and Client to view events in the list.

Accessing the Function:

Users can navigate through the menu. Alternatively, Admin can click on the specific button “View Event” in the “Create Event” page or any other page with the same button.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page by clicking on "View Event" in the navigation menu. Alternatively, Admin can click on the specific button “View Event” in the “Create Event” page.
3. For Admin, Admin can continue access to
 - a. View Event Details
 - b. View Participant Lists
 - c. Edit Event
 - d. Delete Event
 - e. Create Event

Event

4.1.3 Edit Event

Overview:

This function allows Admin to edit events.

Accessing the Function:

Users can navigate by clicking on the specific button “Edit” in the dropdown menu on the “View Event” page.

View Event Create Event

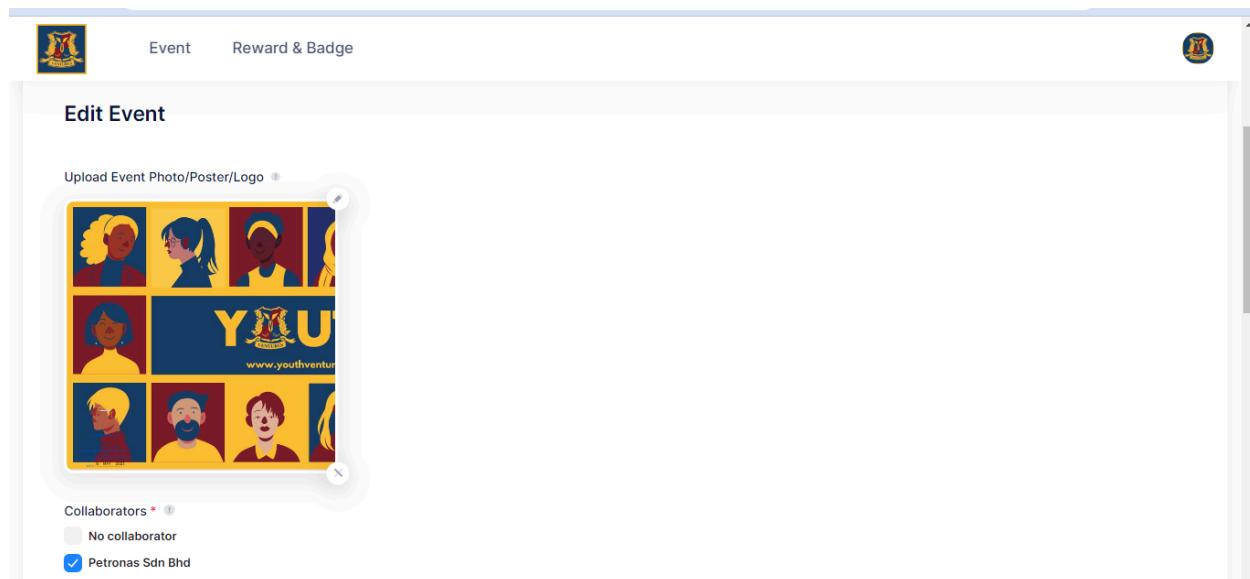

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button>

3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Edit</button> <button>Delete</button>

Input Requirements:

Users can edit the event name, venue, date, time, event description, feedback form link, collaborator (or no collaborator), and category from the dropdown menu. They can also optionally add or remove an image for the event. All required fields cannot be empty.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page by clicking on the specific button “Edit” in the dropdown menu on the “View Event” page.
3. Edit the event details.
4. Optionally, upload an image as the event image or remove it.
5. Click on the “Submit” button after editing the form.

The screenshot shows the 'Edit Event' page. At the top, there are three navigation links: 'Event', 'Reward & Badge', and a circular profile icon. Below the navigation, the title 'Edit Event' is displayed. A placeholder text 'Upload Event Photo/Poster/Logo' is above a file input field. A preview area shows a 3x3 grid of images, including a logo for 'YOUTHVENTURE' and a website address 'www.youthventure.com'. Under the photo section, there is a 'Collaborators' section with a note 'Collaborators * ⓘ'. Two options are listed: 'No collaborator' (unchecked) and 'Petronas Sdn Bhd' (checked).

System Response:

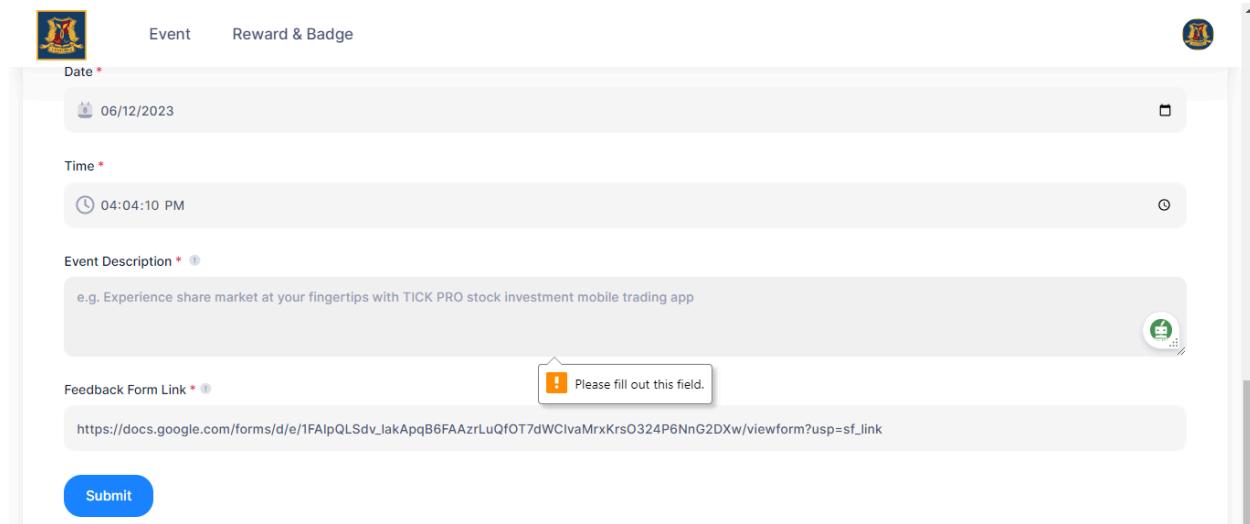

After successfully submitting the form, the system will redirect the user to the “View Event” page. The new event details will update to the list on the “View Event” page.

Otherwise, if the form cannot be submitted, it might encounter these situations:

- Some of the required fields are not filled out.
- Wrong inputs in certain fields.

The system will display an error message/ alert message if the form cannot be processed.

Examples:

The screenshot shows a form with several fields. The 'Date' field contains '06/12/2023'. The 'Time' field contains '04:04:10 PM'. The 'Event Description' field has a placeholder 'e.g. Experience share market at your fingertips with TICK PRO stock investment mobile trading app'. The 'Feedback Form Link' field contains a URL: 'https://docs.google.com/forms/d/e/1FAIpQLSdv_lakApqB6FAAzrLuQfOT7dWCIVaMrxKrsO324P6NnG2DXw/viewform?usp=sf_link'. A validation error message 'Please fill out this field.' is displayed in a callout box over the 'Feedback Form Link' field. A blue 'Submit' button is at the bottom left.

4.1.4 Delete Event

Overview:

This function allows Admin to delete events.

Accessing the Function:

Users can navigate by clicking on the specific button “Delete” in the dropdown menu on the “View Event” page.

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button>
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	<button>View</button> <button>Participant</button> <button>Edit</button> <button>Delete</button>
3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	

Steps to Perform Function:

1. Log in to your account.
2. Navigate by clicking on the specific button “Delete” in the dropdown menu on the “View Event” page.
3. The system will display the confirmation message.

The screenshot shows a confirmation dialog box from 'sandkas.com' with the text "Are you sure you want to delete this event?". It has two buttons: "OK" and "Cancel". Below the dialog, there is a yellow header bar with the word "Event" and a table of events. The table has the same structure as the one in the first screenshot, showing three events: "Sparkling Gala Night", "Tech Innovators Expo", and "Wellness Retreat". The "Actions" column for the second event contains the "Delete" button, which is highlighted in red.

4. Click “OK” to delete the event.

System Response:

After successfully deleting, the system will remove the details of the deleted event.

4.1.5 View Participant List

Overview:

4.0 Using the System (Online)

This function allows Admin and Clients to view the participant list.

Accessing the Function:

Users can navigate by clicking on the specific button “Participant” in the “View Event” page.

The screenshot shows a table of events with columns: No, Title, Category, Date, Time, Venue, Description, and Action. The 'Action' column contains a 'Actions' dropdown menu with options: View (purple), Participant (orange), Edit (blue), and Delete (red).

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button> View Participant Edit Delete

3. You can view more details by clicking on "View."

The screenshot shows a user profile at the top with a logo, 'Event', and 'Reward & Badge' buttons. Below is a yellow header bar with the word 'Event'. The main content area has a title 'Participant Details' and a table with the following data:

Full Name	Fatimah
Contact Number	012-3456789
Email	fatimah@gmail.com
Date of Birth	2003-01-14
Dream	To be a data engineer

A 'Show desktop' button is visible on the right.

4.1.6 Event Registration

Overview:

This function allows Student to register for events.

Accessing the Function:

Users can navigate through the menu with the link ““Registration” and then click on the specific button “Create Event” in the “View Event” page. Otherwise, users can navigate to the page by clicking on the button “Register Now” in the “Event Details” page.

The screenshot shows a yellow header bar with the word 'Event'. Below is a 'View Event' section with a table of events and a 'Dashboard Event' button.

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button>
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	<button>View</button> <button>Register</button> <button>Feedback</button>
3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
4	Start Up Project	Competition/Scholarship	2023-12-06	18:15:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
5	Compfair	Program/Activities	2023-12-06	10:20:00	N28a	This is a event about.....	<button>Actions</button>

The screenshot shows a web-based application interface for managing events. At the top, there are navigation links: 'Event', 'Reward & Badge', and 'Resume'. Below this is a header section with a logo and the text 'Event Details'. The main content area contains a registration form with the following fields:

- Category:** Competition/Scholarship
- Venue:** Selangor
- Date:** 2023-12-06
- Time:** 16:04:10
- Description:** to give a chance for your style grows
- Collaborator:**
 - List of Collaborator(s):**
 - Petronas Sdn Bhd

At the bottom of the form is a blue button labeled 'Register Now'.

Input Requirements:

Users need to provide their full name, contact number, email, date of birth, dream, passion, hidden talent, institution, course, internship year, graduation year, goal, and select their current status, skills, and software skills from the dropdown menus. Some fields will retrieve data from the profile and are not editable in the form, namely full name, contact number, email, date of birth, and course. For first-time register-event users, they are required to complete the remaining fields. For non-first-time users, the data will retrieve the latest registration data, and users can still edit or update those editable fields' data

Steps to Perform Function:

1. Log in to your account.
2. Navigate through the menu with the link "Registration" and then click on the specific button "Create Event" in the "View Event" page. Otherwise, users can navigate to the page by clicking on the button "Register Now" in the "Event Details" page.
3. Fill in all the fields required, or edit/update if the data is retrieved.
4. Click on the "Submit" button after completing the form.

The screenshot shows a 'Registration Form' page. At the top, there is a yellow header bar with the word 'EVENT' in white capital letters. Below this is a white form area with the following fields:

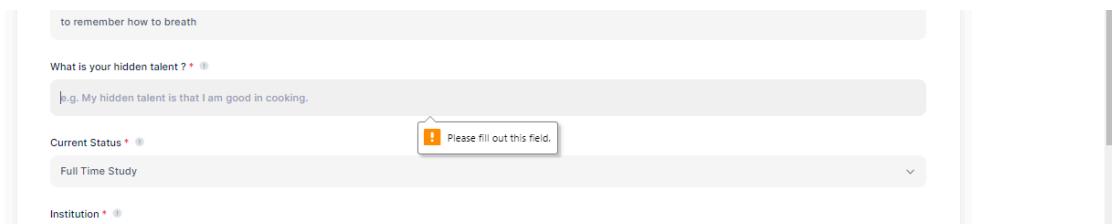

- Full Name ***: Low Ying Xi
- Contact Number ***: 011-10511399
- Email ***: yingxi@gmail.com
- Date of Birth ***: (This field is partially visible at the bottom of the form.)

System Response:

After successfully submitting the form, the system will redirect the user to the “View Event” page for registration.

Otherwise, if the form cannot be submitted, it might encounter this situation:

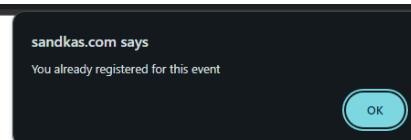

- Some of the required fields are not filled out.

The screenshot shows a web form with several input fields. One of the fields, 'Current Status', has a red border around it and contains the text 'Full Time Study'. Above this field, there is a tooltip message that says 'Please fill out this field.' This indicates that the system is validating the form and has identified that this specific field is required but has not been populated.

The system will display an error message if the user has already registered for the event.

Example:

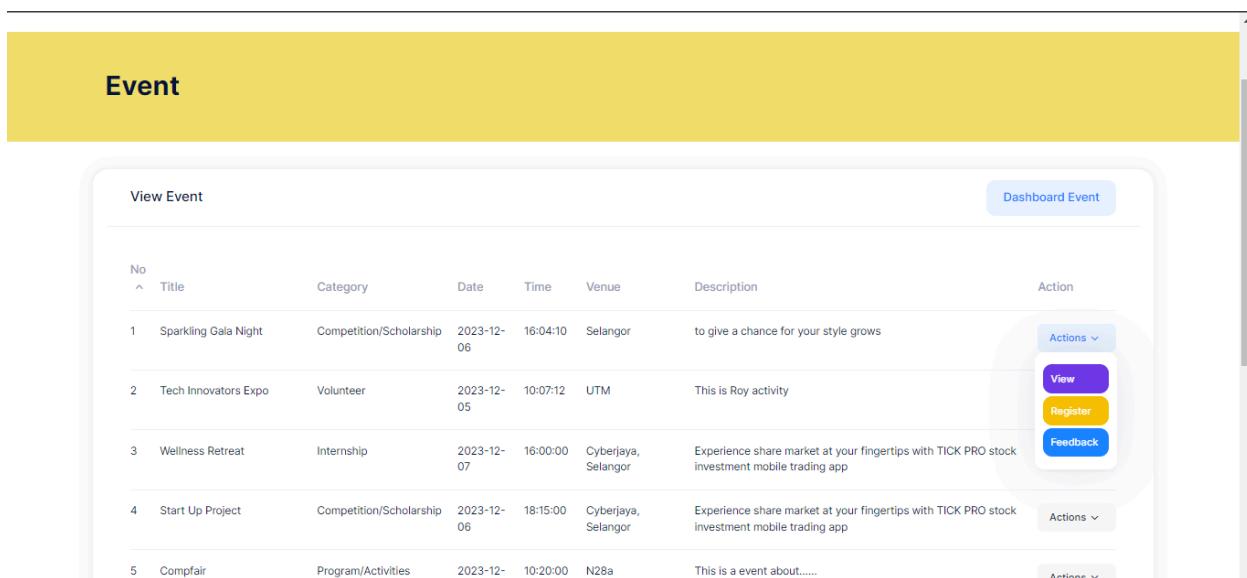

4.1.7 View Event Details

Overview:

This function allows all the users to view event details.

Accessing the Function:

Users can navigate by clicking on the specific button “View” in the “View Event” page.

The screenshot shows a 'View Event' page with a yellow header bar containing the word 'Event'. Below this is a table listing five events. The table columns are: No, Title, Category, Date, Time, Venue, Description, and Action. The 'Action' column for each row contains three buttons: 'View' (purple), 'Register' (yellow), and 'Feedback' (blue). The events listed are:

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button>
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	<button>View</button> <button>Register</button> <button>Feedback</button>
3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
4	Start Up Project	Competition/Scholarship	2023-12-06	18:15:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
5	Compfair	Program/Activities	2023-12-06	10:20:00	N28a	This is a event about.....	<button>Actions</button>

Steps to Perform Function:

- Log in to your account.
- Navigate by clicking on the specific button “View” in the “View Event” page.

The screenshot shows a web page for the 'Sparkling Gala Night' event. At the top, there's a navigation bar with icons for Event, Reward & Badge, and Resume. Below the title 'Sparkling Gala Night', there's a grid of 12 cartoon avatars. In the center of the grid is a logo for 'YOUTH VENTURES' with the website address 'www.youthventures.asia'. To the right of the event details, there's a sidebar titled 'Categories' listing various program types with counts: Program/Activities (14), Competition/Scholarship (9), Bootcamp/Workshop (2), Part Time (5), Volunteering (1), and Internship (1). Below that is a section titled 'About Youth Venture' with links to 'About Sustainable Ecosystem' and 'Developing Sustainable Ecosystem'. Further down are links to 'Navigating Malaysia's Regenerative Economy' and 'Accelerate Student Startups'.

Category	Count
Program/Activities	14
Competition/Scholarship	9
Bootcamp/Workshop	2
Part Time	5
Volunteering	1
Internship	1

4.1.8 Feedback

Overview:

This function allows Student to give feedback.

Accessing the Function:

Users can navigate by clicking on the specific button “Feedback” in the “View Event” page.

The screenshot shows a 'View Event' page with a yellow header bar containing the word 'Event'. Below it is a table of events with columns for No, Title, Category, Date, Time, Venue, and Description. Each row has an 'Actions' dropdown menu with options like 'View', 'Register', and 'Feedback'. The first event listed is 'Sparkling Gala Night'.

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	<button>Actions</button>
2	Tech Innovators Expo	Volunteer	2023-12-05	10:07:12	UTM	This is Roy activity	<button>View</button> <button>Register</button> <button>Feedback</button>
3	Wellness Retreat	Internship	2023-12-07	16:00:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
4	Start Up Project	Competition/Scholarship	2023-12-06	18:15:00	Cyberjaya, Selangor	Experience share market at your fingertips with TICK PRO stock investment mobile trading app	<button>Actions</button>
5	Compfair	Program/Activities	2023-12-	10:20:00	N28a	This is a event about.....	<button>Actions</button>

Steps to Perform Function:

1. Log in to your account.
2. Navigate by clicking on the specific button “Feedback” in the “View Event” page.

System Response:

The system will redirect to the external link of the feedback form.

4.2 Reward & Badge

This section provides details on how to access the function, the steps to perform it, and the system's response to the function regarding module reward & badge.

4.2.1 Manage Badges

Overview:

This function allows Admin to manage badges.

Accessing the Function:

Users can navigate through the menu by clicking on "Manage Badge".

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page by clicking on "Manage Badge" in the navigation menu.

A screenshot of the 'Manage Reward & Badge' page. The page has a yellow header bar with 'Rewards' and a white content area. The content area starts with a table header: 'Manage Reward & Badge' followed by columns for 'Student Name', 'Gold Badge', 'Silver Badge', 'Bronze Badge', 'Rewards', and 'Action'. Below the header, there are two rows of data:

Student Name	Gold Badge	Silver Badge	Bronze Badge	Rewards	Action
Fatimah	1	1	0	<input checked="" type="checkbox"/>	<button>Actions</button>
Ikmal	1	0	0	<input type="checkbox"/>	<button>Actions</button>

The 'Rewards' column shows checkboxes, one of which is checked for Fatimah. The 'Action' column contains a button labeled 'Actions' with a dropdown arrow.

4.2.2 Update Badges

Overview:

This function allows Admin to update badges.

Accessing the Function:

Users can navigate by clicking on the specific button “Update” in the dropdown menu in the “Manage Reward & Badge” page.

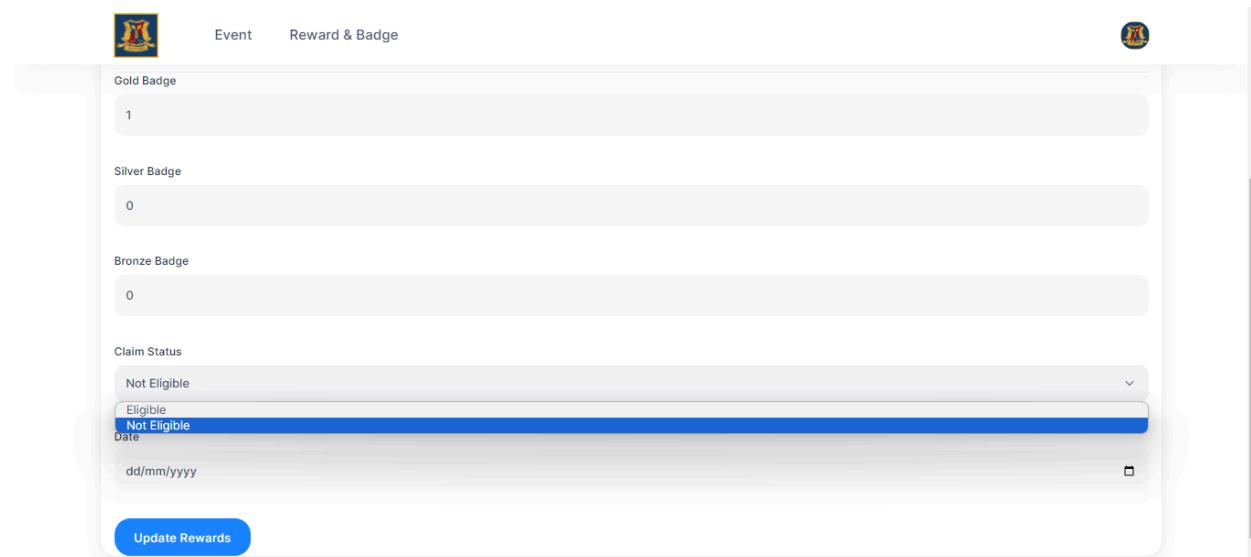

Student Name ^	Gold Badge	Silver Badge	Bronze Badge	Rewards	Action
Fatimah	1	1	0	<input checked="" type="checkbox"/>	Actions Update
Ikmal	1	0	0	<input type="checkbox"/>	

Input Requirements:

Users can update the reward claim status and its date.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page by clicking on the specific button “Update” in the dropdown menu in the “Manage Reward & Badge” page.
3. Update the reward claim status and date.
4. Click “Update Rewards” to save the changes.

The screenshot shows a user interface for updating badge rewards. At the top, there are two tabs: "Event" and "Reward & Badge". The "Reward & Badge" tab is active. Below the tabs, there are three input fields for badge counts: "Gold Badge" (1), "Silver Badge" (1), and "Bronze Badge" (0). Underneath these fields is a "Claim Status" dropdown menu. The menu has two options: "Not Eligible" and "Eligible". The "Eligible" option is currently selected. Below the dropdown is a date input field with the placeholder "dd/mm/yyyy". At the bottom of the form is a blue "Update Rewards" button.

System Response:

After successfully updating the reward, the system will redirect the user to the “Manage Reward & Badge” page.

4.2.3 View Badge

Overview:

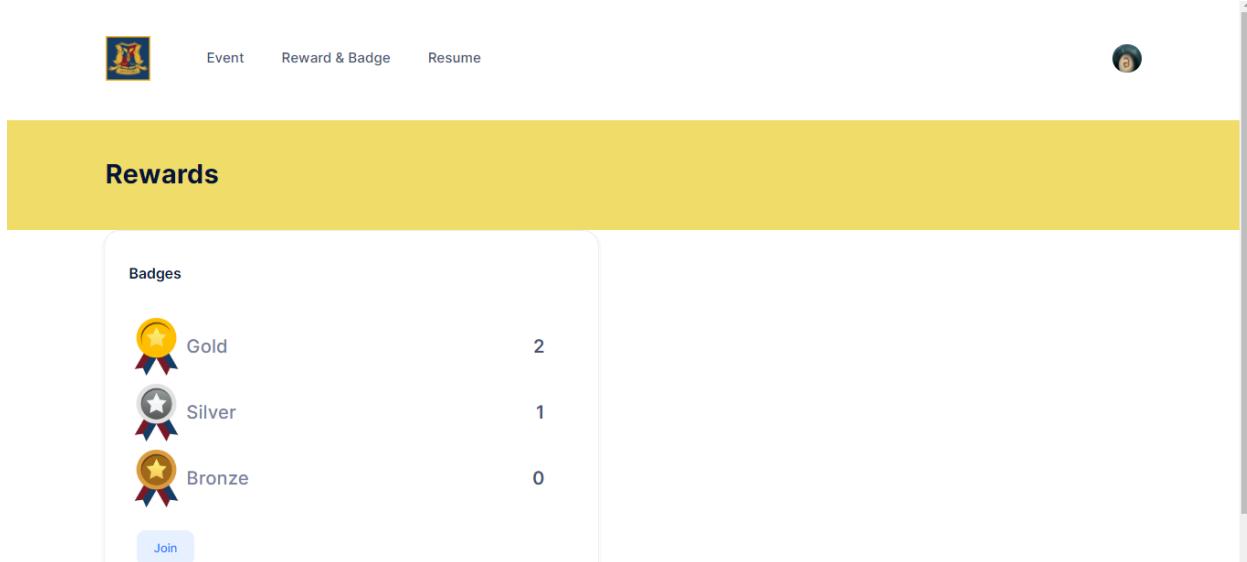

This function allows Student to view their badge.

Accessing the Function:

Users can navigate through the menu by clicking “View Badge” .

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking “View Badge”.

4.2.4 Join Badge Race

Overview:

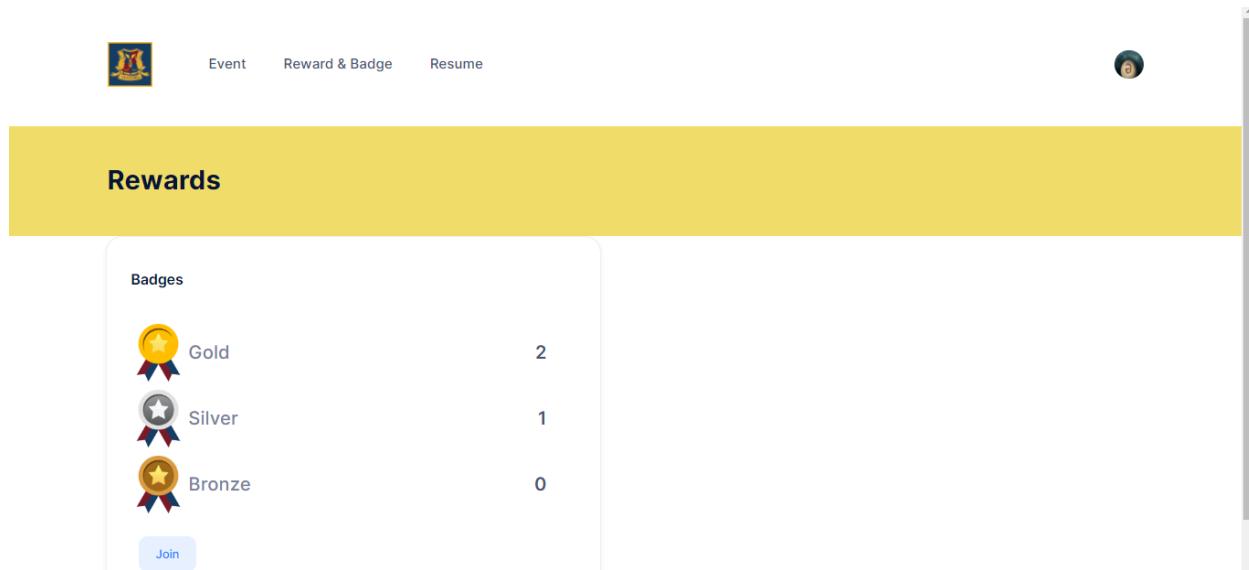

This function allows Student to join badge race.

Accessing the Function:

Users can navigate through the menu by clicking “View Badge” then clicking on the specific button “Join”.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking “View Badge” then clicking on the specific button “Join”.

The screenshot shows a user interface for managing rewards. At the top, there are navigation links: Event, Reward & Badge, and Resume. On the right side, there is a user profile icon. Below the navigation, a yellow header bar contains the word "Rewards". Underneath, a table displays badge counts:

Badges	Count
Gold	2
Silver	1
Bronze	0

A blue "Join" button is located at the bottom left of the table area.

System Response:

System will add the student to the list of “Manage Reward & Badge” on the Admin page. Admin may update their reward status.

Otherwise, if the student has already joined, the system will display messages like:

You already joined.

4.3 Resume

This section provides details on how to access the function, the steps to perform it, and the system's response to the function regarding module resume.

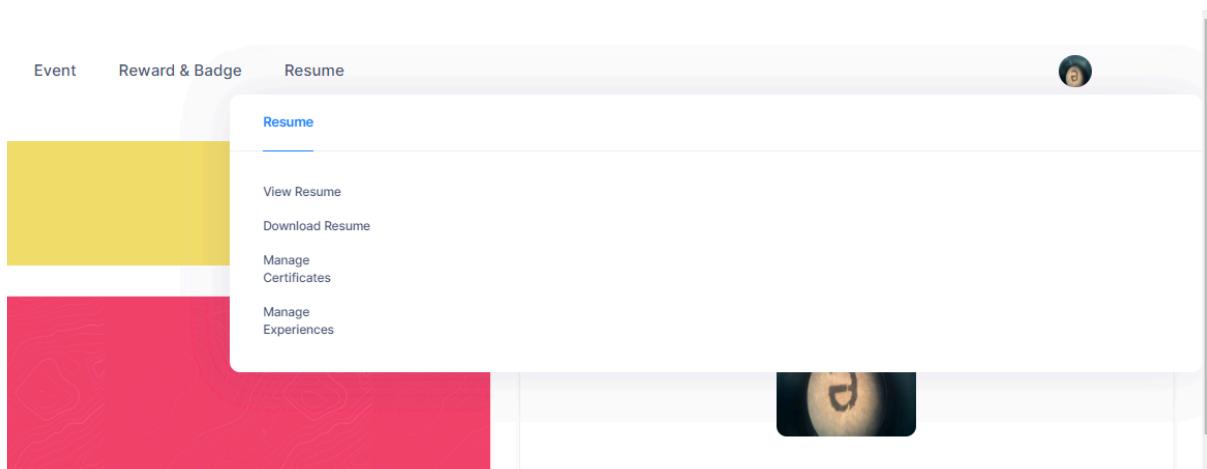

4.3.1 View Resume

Overview:

This function allows Student to view his/her resume.

Accessing the Function:

Users can navigate through the menu by clicking on “View Resume”.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking on “View Resume”.

A screenshot of the 'Resume' page. At the top, there is a yellow header bar with the word 'Resume' in blue. Below it, the user's profile information is displayed: 'Low Ying Xi', 'Female | Chinese | Muar | Malaysia'. There is a small profile picture of a person with a question mark on it. Below this, there is a table with five rows of basic information:

Full Name	Low Ying Xi
Email	yingxi@gmail.com
Phone No.:	011-10511399
Institution:	UIAM
Course:	Data Engineering

Underneath the table, there are two sections: 'Basic Information' and 'Skill'. The 'Basic Information' section is currently collapsed. The 'Skill' section contains one item: 'Public Speaking in English'. To the right of the resume page, there is a small circular icon with a question mark.

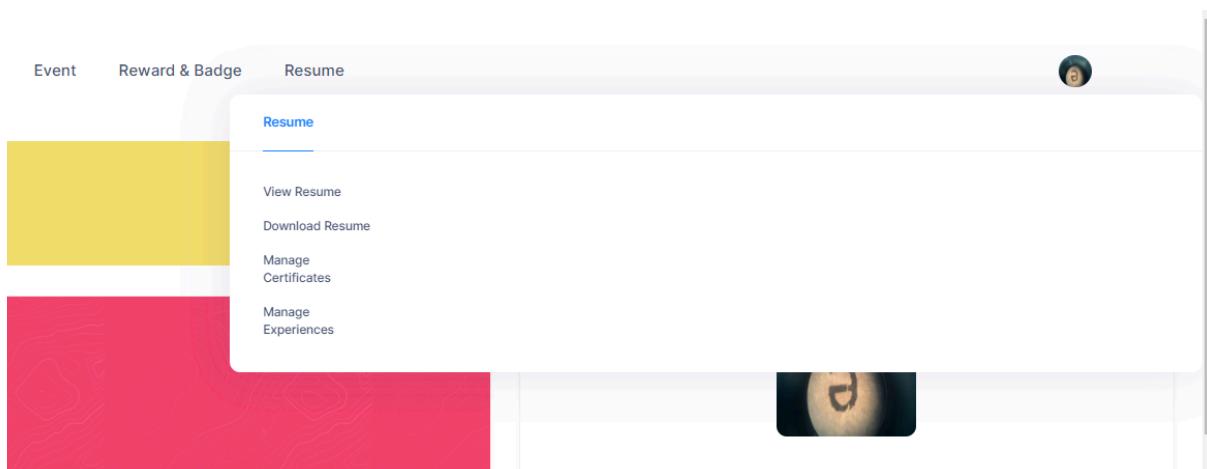

4.3.2 Download Resume

Overview:

This function allows Student to download his/her resume.

Accessing the Function:

Users can navigate through the menu by clicking on “Download Resume”.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking on “Download Resume”.

Basic Information

Full Name	Low Ying Xi
Email	yingxi@gmail.com
Phone No.:	011-10511399
Institution:	UIAM
Course:	Data Engineering

Skill

- Public Speaking in English
- Youtube

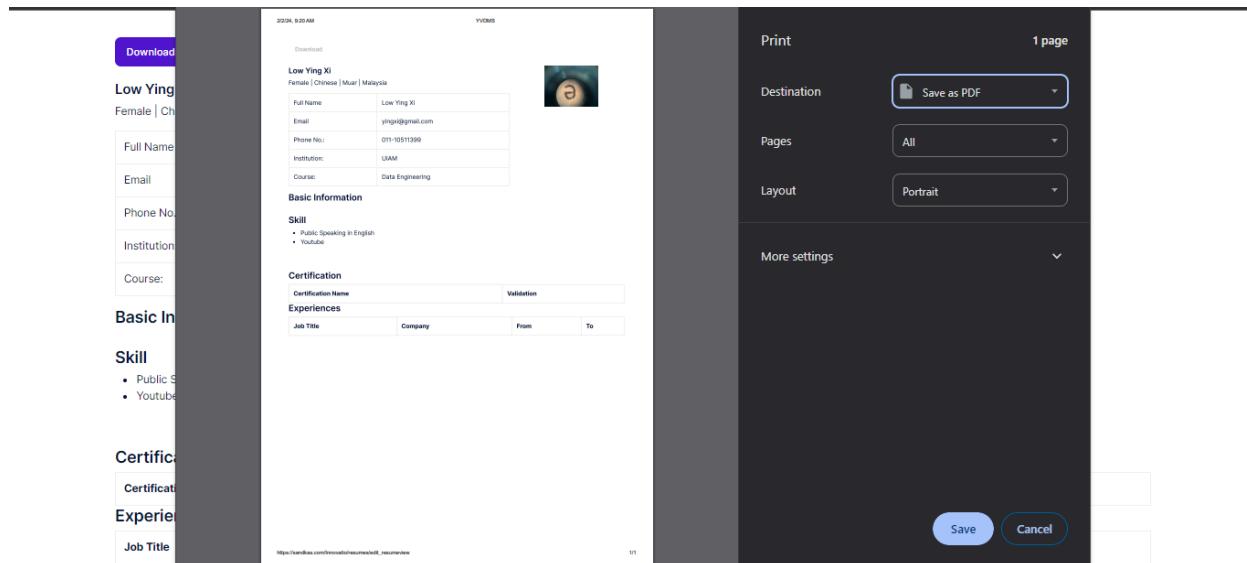

Certification

Certification Name	Validation
--------------------	------------

Experiences

Job Title	Company	From	To
-----------	---------	------	----

3. Click “Download” to download the resume.
4. Click “Save” to save the resume as a PDF.

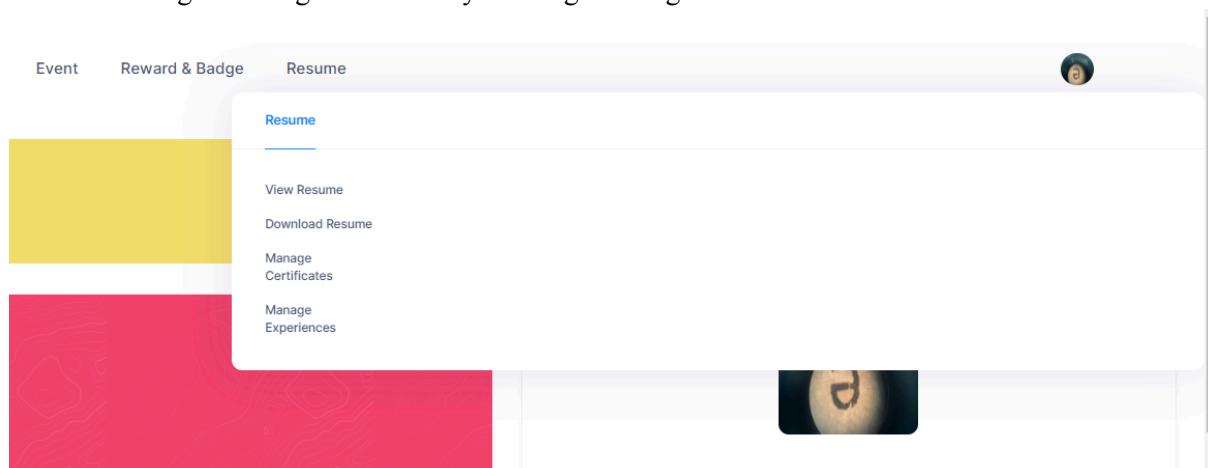

4.3.3 Manage Certificates

Overview:

This function allows Student to view, add, update and delete the certificates

Accessing the Function:

Users can navigate through the menu by clicking “Manage Certificates.”.

Input Requirements:

Users need to provide the certification name and validity.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking “Manage Certificates.”.

The screenshot shows a user interface for managing certifications. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume. A profile picture is also present. Below the navigation is a yellow header bar with the word "Resume". The main content area has a title "Certifications" and a "Add Certificate" button. A table lists one certification entry:

Certification Name	Valid until	Action
Coding Competition	February 2	<button>Update</button> <button>Delete</button>

Below the table, there is a pagination control showing "Showing 1 to 1 of 1 records" and a small navigation icon. At the bottom left is a "Footer" section.

3. On the same page, you can add certification by clicking “Add Certificate.”
3.1. Fill in the certification name and validity.

The screenshot shows a form titled "Add Certification". It includes fields for "Certification Name" (with placeholder "certName") and "Validity" (with placeholder "dd/mm/yyyy"). There is a "Submit" button and a "Manage Certifications" link at the top right.

4. Besides, you can update the certificate by clicking "Update.".
4.1. You can edit the certification name and validity.
5. On the same page, you can delete the certification by clicking "Delete.".

System Response:

After successfully adding or updating the certificate, the system will redirect the user to the “Manage Certificates” page. The certificates will be added or updated to the list on the “Manage Certificates” page.

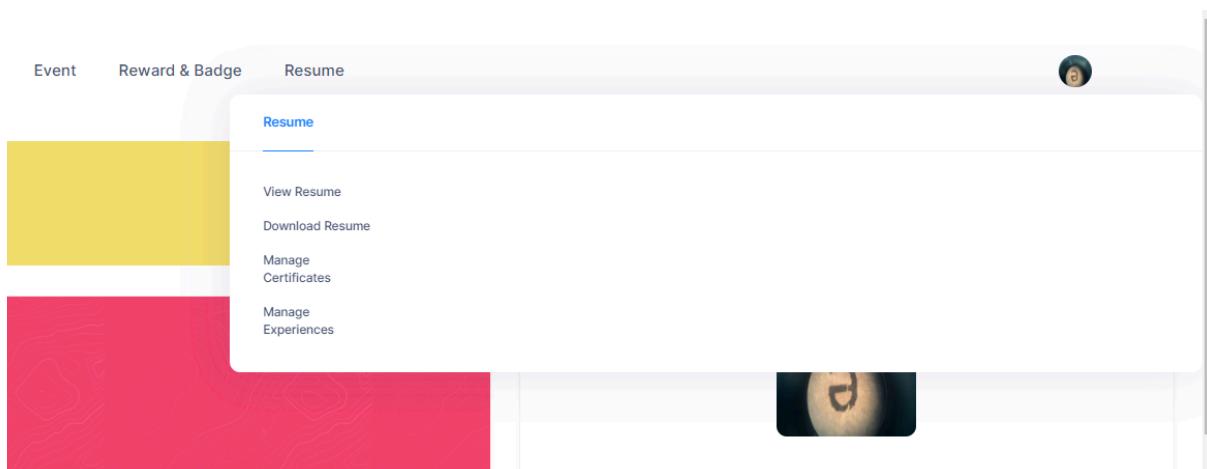

4.3.4 Manage Experiences

Overview:

This function allows Student to view, add, update and delete their experiences

Accessing the Function:

Users can navigate through the menu by clicking “Manage Experiences.”.

Input Requirements:

Users need to provide the job title, company, and duration.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the menu by clicking “Manage Experiences.”

A screenshot of a web-based application titled 'Resume'. The main heading is 'Experiences'. Below it is a table with columns: 'Job Title', 'Company', 'From', 'To', and 'Action'. There is one record listed: 'part time' under 'Job Title', 'Hungry Nest' under 'Company', 'June 1' under 'From', and 'October 1' under 'To'. To the right of the table are two buttons: 'Update' (yellow) and 'Delete' (blue). At the bottom left, there is a pagination control showing '10' and 'Showing 1 to 1 of 1 records'. At the bottom right, there are navigation arrows. A small 'Footer' link is visible at the very bottom.

3. On the same page, you can add experiences by clicking “Add Experiences.”
 - 3.1. Fill in the job title, company, and duration.

Add Experience

Job Title *

company

From

dd/mm/yyyy

To

dd/mm/yyyy

Submit

Manage Experiences

4. Besides, you can update the experience by clicking "Update.".
4.1 You can edit the job title, company, and duration..
5. On the same page, you can delete the experience by clicking "Delete.".

System Response:

After successfully adding or updating the experiences, the system will redirect the user to the “Manage Experiences” page. The experiences will be added or updated to the list on the “Manage Experiences” page.

4.4 Profile & Other Details

This section provides details on how to access the function, the steps to perform it, and the system's response to the function regarding module profile.

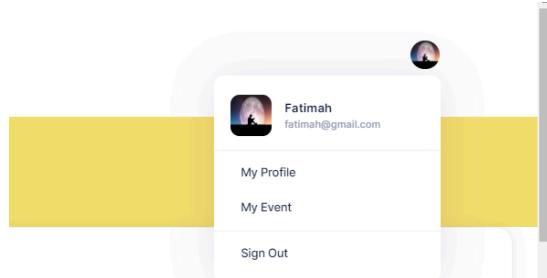

4.4.1 My Profile

Overview:

This function allows Student and Client to view and edit their profiles.

Accessing the Function:

Users can navigate through the user menu by clicking “My Profile.”.

Input Requirements:

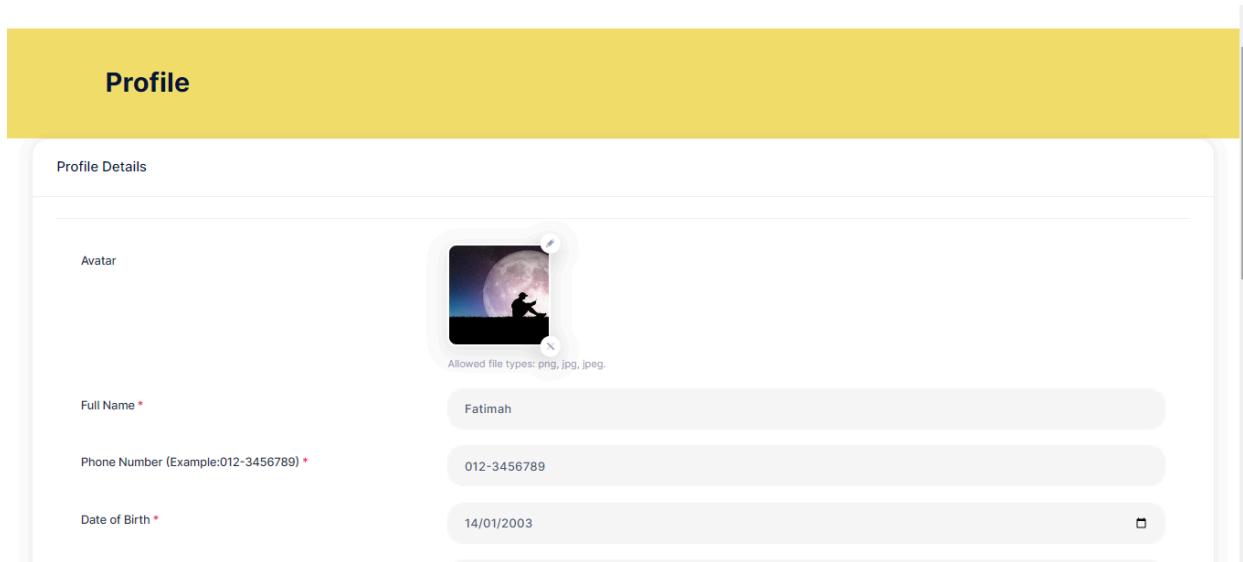

For Student, users can edit full name, phone number, date of birth, email address, gender, race, education, course, city, country, and bio

For Client, users can edit the company name, office number, email address, city, country, and company description.

Optionally, both can edit the profile picture.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the user menu by clicking “My Profile.”.
3. You can edit the profile.
4. Optionally, edit the profile picture.
5. Click on the “Update” button after editing the form.

The screenshot shows a 'Profile' section with a yellow header. Below it, a 'Profile Details' form is displayed. The form includes fields for 'Avatar' (with a placeholder image of a person sitting under a full moon), 'Full Name *' (Fatimah), 'Phone Number (Example:012-3456789) *' (012-3456789), and 'Date of Birth *' (14/01/2003). There is also a note at the bottom of the form stating 'Allowed file types: png, jpg, jpeg.'

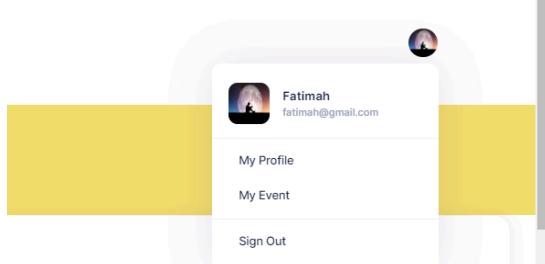

4.4.2 View My Event

Overview:

This function allows Student to view events that they have registered for.

Accessing the Function:

Users can navigate through the user menu by clicking “My Event.”.

Steps to Perform Function:

1. Log in to your account.
2. Navigate to the page through the user menu by clicking "My Event."

The screenshot shows the 'Profile' section of a web application. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume, and a user profile icon. Below the navigation bar is a yellow header bar with the title 'Profile'. Underneath is a white content area titled 'View My Event'. It contains a table with two rows of event data:

No	Event	Category	Date	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	Selangor	to give a chance for your style grows	View
2	Jazz in the Park	Part Time	2023-12-19	Cyberjaya, Selangor	This is a event about.....	View

At the bottom of the content area, there is a pagination bar showing 'Showing 1 to 2 of 2 records' and a page number '1'.

3. You can view more details by clicking "View."

The screenshot shows the details of the 'Sparkling Gala Night' event. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume, and a user profile icon. The main content area has a heading 'Sparkling Gala Night' and features a collage of various event participants. To the right of the collage is a sidebar with sections for 'Categories' and 'About Youth Venture'.

Figure 9.6: View Participant List

This screenshot shows a participant's details page. At the top, there are two small icons: a blue one on the left and a red one on the right. Below them are two buttons: 'Event' and 'Reward & Badge'. The main title 'Event' is displayed in a large yellow header. Underneath, a section titled 'Participant Details' contains the following information:

Full Name	Fatimah
Contact Number	012-3456789
Email	fatimah@gmail.com
Date of Birth	2003-01-14
Dream	To be a data engineer

On the far right of the table, there is a small button labeled 'Show desktop'.

Figure 9.7: View Participant Details Page

This screenshot shows a registration page with a yellow header containing the word 'Event'. Below it is a table titled 'View Event' with a 'Dashboard Event' button in the top right corner. The table has columns for No, Title, Category, Date, Time, Venue, Description, and Action. There are six rows of data:

No	Title	Category	Date	Time	Venue	Description	Action
1	Sparkling Gala Night	Competition/Scholarship	2023-12-06	16:04:10	Selangor	to give a chance for your style grows	Actions ▾

5. Update Certification
6. Manage Experiences
7. Add Experiences
8. Update Experiences

The screenshot shows a mobile application interface for viewing a resume. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume. Below the navigation bar, the word "Resume" is displayed in a large, bold, dark blue font. Underneath this, there is a yellow header section containing the user's name, "Low Ying Xi", and her details: Female | Chinese | Muar | Malaysia. Below the yellow header is a table with five rows of basic information:

Full Name	Low Ying Xi
Email	yingxi@gmail.com
Phone No.:	011-10511399
Institution:	UIAM
Course:	Data Engineering

Below the table, there is a section titled "Basic Information" which is currently empty. To the right of the resume page, there is a circular profile picture of the user, Low Ying Xi.

Figure 10.3: Manage Certificates

The screenshot shows a user interface for adding a certification. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume, and a user profile picture. Below the navigation bar is a yellow header bar with the word "Resume". The main content area has a white background and contains the following fields:

- A blue button labeled "Add Certification" on the left.
- A "Manage Certifications" button on the right.
- A "Certification Name *" field with the placeholder "certName".
- A "Validity" field with a red asterisk and a date input field showing "dd/mm/yyyy".
- A "Submit" button at the bottom left.

Figure 10.4: Add Certification

The screenshot shows a user interface for updating a certification. At the top, there is a navigation bar with icons for Event, Reward & Badge, and Resume, and a user profile picture. Below the navigation bar is a yellow header bar with the word "Resume". The main content area has a white background and contains the following fields:

- A blue button labeled "Update Certification" on the left.
- A "Manage Certification" button on the right.
- A "Certification Name *" field with the placeholder "Test certs 2".
- A "Valid until" field with a red asterisk and a date input field showing "22/02/2024".
- A "Submit" button at the bottom left.

Figure 10.5: Update Certification

The screenshot shows a user interface for managing resume experiences. At the top, there are navigation links: Event, Reward & Badge, and Resume, along with a user profile icon. The main title is 'Resume'. Below this, the section title is 'Experiences'. A button labeled 'Add Experiences' is visible. The table displays one record:

Job Title ^	Company	From	To	Action
Junior developer	Huawei	December 27	January 30	<button>Update</button> <button>Delete</button>

Below the table, there is a pagination control showing 'Showing 1 to 1 of 1 records' and a page number '1'. A footer link 'Footer' is at the bottom.

Figure 10.6: Manage Experiences

The screenshot shows a form for adding a new experience to a resume. The title is 'Resume'. The form fields are:

- Add Experience** (button)
- Job Title ***: jobtitle
- Company ***: company
- From**: dd/mm/yyyy
- To**: dd/mm/yyyy
- Submit** (button)

A 'Manage Experiences' button is located in the top right corner of the form area.

Figure 10.7: Add Experiences

The screenshot shows a user interface for updating resume experiences. At the top, a yellow header bar contains the word "Resume". Below it, a white form area has a title "Update Experience" and a "Manage Experience" button in the top right corner. The form includes fields for "Job Title *", "test 2"; "Company *", "dfasfds"; "From", "24/02/2024"; and "To", "01/03/2024". A "Submit" button is located at the bottom left of the form area.
